About Burning River FF

The Burning River Film Festival is a celebration of community, trail running, and nature. The inspiring stories of athletes testing their limits in long distance endurance races, the overwhelming supportive spirit of the trail running community, and the beautiful scenery and places all captured by film makers in short and feature length films will be on showcase.

The Burning River Film Festival will be an event featuring more than just film. It will be a social gathering of the trail running community. There will be local vendors on hand with the best Northeast Ohio has to offer in running wares, art, food, and more.

The Burning River Film Festival is proud to support it's community and the trails serving it. A portion of each ticket sold will benefit the Conservancy for the Cuyahoga Valley National Park and the Trails Forever Fund.

There will be a free community group trail run the morning of the event.

Prior to the first film there will be a question and answer session for attendees with leaders in the running community.
